Sir

We wish to inform you that we express our pleasant feeling during the Bus Campaign which had happened at TSS – DELHI from 5.01.2017 to 14.01.2017. We have 8 vehicles. Our all the school buses had been checked properly and 100% inspection done during this campaign at TSS. We also attended the CUSTOMER MEET Programme organized by you on 13.01.2017 at TSS-Delhi. We appreciate to whole team of Tata Motors for such kind of campaign . Your workshop is giving us priority for attending our repair jobs, the staff and officers are very cooperative. They listen to our vehicle complaints and attend in time. This caring attitude of the staff will surely earn good name and more business to company.

We sent our best wishes to the all concerned technical & non-technical staff of the company for glorifying the image of the company.

At last we would especially like to appreciate Mr. Sumit Sinha and Mr. Manoj Mistry who resolve our any issue instantly.

Thanking You

Yours Sincerely

(S. Balbir Singh)
